

Biography

Jan Paul de Vries

Jan Paul de Vries was born 1958 in the Netherlands. He studied Technology and Business Economics.

In 1984 he joined DSM where he undertook different duties. In 2000 he was President and General Manager of DSM Desotech.

Between 2003 and 2006 he managed the DSM Composite Resins Business Unit. In 2007 he became Chief Marketing Officer and Executive Vice President for Corporate Communications of DSM NV. One year later he took over the management of the DSM Elastomers Business Unit.

In May 2011 he moved to LANXESS. In the High Performance Materials business unit he acted as General Manager for the EMEA region in the Advanced Materials Business Line.

Since January 2013 he has been responsible for the worldwide trading of the High Performance Elastomers business unit. On April 1, 2016, Jan Paul de Vries became Chief Executive Officer of ARLANXEO.
